RODFEI SHOLOM
SHABBAT DINNER
for ROSH CHODESH
& to HONOR VETERANS
FRIDAY, NOVEMBER 13
SERVICES AT 5:30 P.M., DINNER FOLLOWING

SPECIAL SHABBAT DINNER HONORING ALL THOSE WHO HAVE SERVED, OR ARE PRESENTLY SERVING, IN THE ARMED FORCES!

Veterans will also be honored the following day at Shabbat services where they will be given an aliyah and called to the Torah.

The purpose of the dinner is also to welcome the month of Kislev. Kislev is best known for the holiday of Chanukah which begins on the 25th of Kislev. It commemorates the miraculous victory of the small Jewish army over the mighty Syrian-Greek empire. The message of Chanukah is the eternal power of light over darkness, good over evil. How appropriate to welcome the month of Kislev at the same time as we honor our veterans!

11:30 a.m. to 1:00 p.m.
“From Russia with Love”
Presented by Faina Gofman

Faina Gofman, a longtime congregant of Rodfei Sholom, will speak about her life in the former Soviet Union. Born in Kishinev, she will share facts about growing up during the war time and will describe Jewish life in the U.S.S.R. following the war. Mrs. Gofman holds a Masters Degree in Chemistry and only recently retired from Cleaning Ideas Corporation (Davis Manufacturing) after a 35 year career with the company since she and her family first immigrated to San Antonio from Russia in 1979.

Everyone is welcome!

If attending, RSVP by Friday, November 13, to rodfeisa@gmail.com or 210.493.3557.
Transportation for seniors available by calling Lety at 210.302.6946.
Co-sponsored by a grant from Golden Manor.

Thank you to Golden Manor for their on-going support of Rodfei Sholom’s Senior Programming.

Golden Manor wishes to announce additions to their staff:

Christina Weinfeld has joined our team as our Programs Director! Christina is a native Texan, who has been very active in the Temple Beth-El (TBE) community and the San Antonio Jewish Senior community. She is a graduate of both the Federation’s and Temple Beth-El’s Young Leadership Programs.

Dr. Martha Spinks, Ph.D., MSW, is joining as a consultant in our REIMAGINE campaign. She is well known in the SA Community for her work with the community’s seniors and veterans. Martha has a long resume which includes a career as an Army Social Work Officer administering Soldier and Family Programs, and after retirement from the Army, serving eight years as the Executive Director of a Senior Services program.

Come say “Thanks” on Thanksgiving!

On Thanksgiving Rodfei Sholom will be preparing and serving meals to San Antonio’s first responders. “These people give and sacrifice so much for the greater community every day all year. And for them to be working and away from their families on Thanksgiving makes it that much harder for them. We want them to know that we are thinking of them and we are thankful for them. Over the years we have had an amazing relationship with the local police and fire departments and because of some recent unfortunate incidents that relationship has become that much stronger. It is time for us to be able to give back” says Rabbi Avraham Scheinberg.

Anyone interested in helping prepare and serve the meals should contact the synagogue office at (210) 493-3557 or by e-mail to rodfeisa@gmail.com.

Dr. Harry Eastman was honored with Chatan Torah (Groom of the Torah), the Aliyah which completes the yearly cycle of reading from the Torah. Harry was born in San Antonio and has many fond memories as a child of going to Rodfei Sholom with his father Marcus Eastman. Rodfei Sholom at the time was in a house, prior to the building on the Laurel St Address. In fact the Laurel Street synagogue was built in the same location as the home. He had his Bar Mitzvah at Rodfei Sholom and his 3 children were Bar Mitzvahed & Bat Mitzvahed at Rodfei under the tutelage of Rabbi Scheinberg at Rodfei Sholom. Rabbi Scheinberg co-officiated at his daughter’s Robin’s wedding 19 years ago. Harry has been married to his wonderful wife Dale, whom he adores. They recently celebrated their 50th wedding anniversary.

We were very pleased to honor Dr. Yitzhak Cohen with Chatan Beresheit, the Aliyah which completes the yearly cycle of reading from the Torah. Yitzhak served as the Inspector General for the 89th Medical Wing at Lackland AFB for two years and currently is the Chief of the Medical Branch for a program managing medical cases of AF Reserve and Air National Guard members from all 50 states and US territories who are injured while on duty. Yitzhak and Jennifer are active members of Congregation Rodfei Sholom and the wider San Antonio Jewish community who, since their arrival here, have provided Shabbat hospitality for the many guests of our Rodfei community. Yitzhak and Jennifer are dedicated to learning and disseminating Torah to others in our shul community and beyond. It was with great pleasure that we honored Yitzhak Cohen with the Chatan Beresheit aliya.

Our Kol Ha’anarim is given to those who have demonstrated commitment and leadership to Jewish education. This year, Ronen Bass was honored. Ronen is currently an audit manager at BDO and enjoys being a Gabbai. He has served as the Treasurer for Rodfei Sholom and is currently serving on the TASA Board of Directors. The Bass family enjoys spending much of their time at Rodfei participating in the many wonderful events offered by the Shul.

Thank you to Annette Goldberg and Shelley Cohen-Sagi for sponsoring the wonderful Simchat Torah luncheon. They have sponsored this lunch for many years in memory of their parents Hy & Lee Lazar.

Prize-winning short story writer Pearlman has just come out with this wonderful new collection of short fiction. Recognition was never something Pearlman asked for, but she can no longer ignore it. “When I was young,” said the 75 year old author, “I wanted to publish a book simply to be buried with it, that’s all I wanted. I had no ambition beyond that.”
