Looking Glass Movie / Lunch & Learn

SUNDAY, APRIL 10 AT 7:00 P.M.
AT RODFEI SHOLOM

Directed by Ami Horowitz (U.N. Me) and produced by CUFI (Christians United for Israel) the film addresses the accusations of Apartheid and racism prevalent today against Israel and the lies behind the BDS movement.

It's based on interviews with those spreading lies to delegitimize the Jewish State and interviews with Muslims, Christians and Jews living in Israel and in the territories. The film is a myth-shattering; at times heart breaking, at times humorous as it reflects the facts on the ground and the truth about Israel.

Ami Horowitz, the director, is also a co-producer, co-director, co-writer and star of the 2012 documentary U.N. Me. He also produces short videos about absurdities found in college campuses, politics, world affairs and more.

The screening of the documentary is sponsored by the Israel Public Action Committee of Congregation Rodfei Sholom (IPA). The IPA works to provide information to the general public about Israel and the Middle East. It monitors and counters anti-Israel bias in the media, exposes anti-Israel propaganda, and encourages action and advocacy for Israel.

THERE IS NO CHARGE FOR THE FILM. STUDENTS ARE ENCOURAGED TO ATTEND THE FILM. RESERVATIONS ARE ENCOURAGED.

For more information or to make a reservation, please contact Bobbie Ghitis at 210-493-3557, ext. 212 or send an email to iparodfei@gmail.com

The Kalman & Helen Chasan Endowment Fund for Musical Performances

The Board of Congregation Rodfei Sholom is very pleased to announce that a new fund has been created at our synagogue. Through the generous bequest of Mrs. Helen Chasan, the Kalman and Helen Chasan Endowment Fund for Musical Performances will promote and support musical performances here at the synagogue. The fund is available to accept donations.

We also wish to thank the Chasan sons, Benjamin Chasan and David Chasan, who were so helpful in facilitating the creation of the Chasan Fund here at Rodfei.

We look forward to many years of Simchas and music here at the shul, with the help of this lovely gift!

Sincerely,

Organ Donor Request

Casey Kahle, granddaughter of long-time Rodfei member Margaret Hopkovitz, who currently lives in Houston, Texas has contacted the synagogue. She has been diagnosed with chronic kidney failure and is in need of a kidney transplant. She has been in dialysis since February 2015. She is blood type B positive and is seeking a donor who is healthy, has no antibodies, and is near her age of 36. The blood type can be B positive/negative or O positive/negative. Any blood type without antibodies is fine, too.

Please email the synagogue if you are interested in more information.
